Enter Our Holiday Basket Drawing

It's time for the Camp Cash club holiday basket drawing!¹

Beginning Monday, November 21, for every \$10 deposit you make in your Camp Cash account, you will receive one entry form. (Just so everyone has a fair chance, there is a limit of 20 entries per person, per day.) But the entry form isn't the only thing you will receive. With your deposit, you still have the opportunity to receive your everyday Camp Cash coins!

This year's baskets are filled with all kinds of fun items! There will be one prize winner for each of our seven branches, so your chances of winning are higher. Stop in any branch, and check it out.

The drawing will end on Saturday, December 17 at 5 p.m. So keep saving your money, maybe even try to earn some extra, and visit your nearest Neighbors Credit Union location to enter today!

¹Restrictions apply. Drawing runs from 11/21/11 to 12/17/11. Odds of winning depend on number of entries received. Funds must be placed in either a Camp Cash account or Cash Stash CD and remain there throughout the drawing. See official rules at any Neighbors Credit Union location.

News From Zach And Zoe...

Hey kids!

Are you trying to save up for a toy, bike or gaming system but don't know how to earn money? With just a little work and an okay from your parents, you could be well on your way to saving up for something you really want!

Here are a few ways you can earn extra money.

- 1. Help out more at home.** Ask your parents or grandparents for chores or additional responsibilities, or help with projects around the house.
- 2. Help your parents, grandparents and neighbors take care of their yards.** With all the leaves falling this time of year, you can grab a rake and lend a hand.
- 3. Start a dog walking service.** Walk your family dogs, and you can even see if any of your neighbors are interested in your service.
- 4. Sell unwanted items.** Clean out your closet, and get rid of old toys and clothes. Then you can sell them at a secondhand store or a garage sale.

Now that you've got some new ideas for how to earn money, get to work so you can start saving. Once you've saved up some of that hard-earned cash, don't forget to deposit it into your Camp Cash savings account. You can even open up a Cash Stash Certificate of Deposit for \$100, and watch your money grow.

Holiday Popcorn Treats Your Whole Family Can Enjoy

Ready to make some delicious winter treats? Kids, grab your parents and follow the instructions below.

Popcorn Snowmen

You will need:

- 9 cups popcorn popped (1 1/3 cups unpopped)
- 4 cups white mini marshmallows
- 4 tablespoons unsalted butter

- 1/2 cup powdered sugar
- 1 tablespoon milk

Toppings: gumdrops, cinnamon candies, fruit leather, pretzel sticks and jelly beans

Instructions:

1. In a large saucepan, melt butter over low heat.
2. Add marshmallows, stirring often, until melted (about 5 minutes).
3. Place popped popcorn in a large, lightly greased shallow pan.
4. Pour the marshmallow mixture over the popcorn, tossing to coat evenly.
5. While still warm, form 6 balls about 5" in diameter with the coated popcorn for the bottom sections, giving the balls flat bases to allow snowmen to stand.

6. Form 6 balls about 3 1/2" in diameter for the middle sections.
7. Then form 6 balls about 2" in diameter for the top sections.
8. Stir the powdered sugar and milk together until smooth. Use the icing to stack three popcorn balls of decreasing sizes into a snowman.
9. Attach candies to decorate. Use fruit leather for the scarf, gumdrops for the nose, jelly beans for the eyes, cinnamon candies for the mouth and pretzel sticks for the arms. (You can substitute other kinds of candies.)
