

News From Zach And Zoe...

Hey Kids!

Want to save your money, but you don't know how? Saving money is hard, but it's not impossible. The best way to get started is to think about your *needs* and *wants* and then divide them into two categories: short-term goals and long-term goals.

Short-term goals can include things like music downloads, a new toy or clothes. Long-term goals are usually more expensive and examples include saving for a new computer, college tuition or a car for when you are old enough to drive.

So, now that you know about setting goals, how can you reach these goals? By creating a plan and sticking to it! Each time you get some money, set it aside and remember your goals. Once your plan becomes routine, you'll find out how easy it is to save!

Got Game?

It's time to "Get in the Savings Game," and in this game, everyone is a winner! As you grow up, it's important to understand the value of saving – and even more important – how to save. Stop by Neighbors Credit Union, learn about all the programs we offer kids, and find out how you can get in the game.

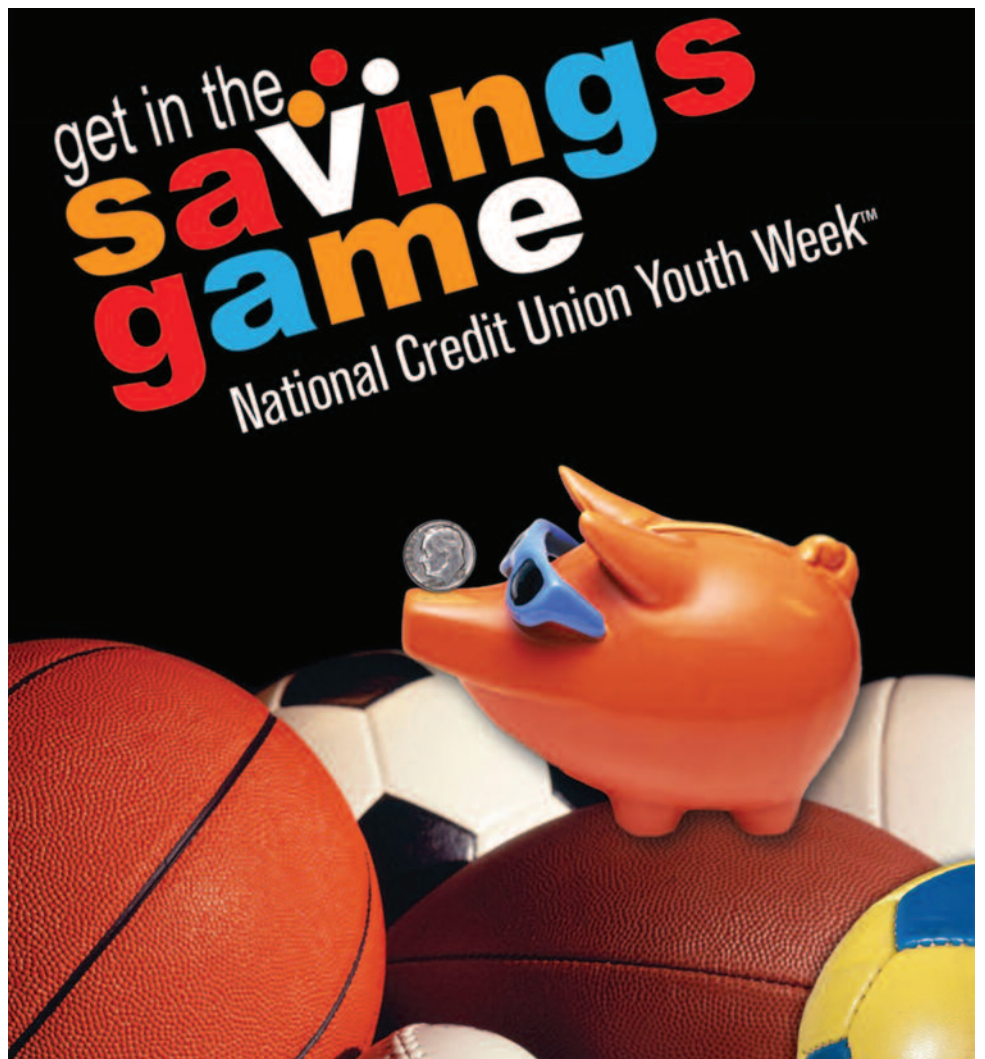

Visit Neighbors Credit Union the week of April 18-24, 2010, and help us celebrate National Credit Union Youth Week. We will teach you about saving money and show you how quickly those savings can add up. Whether you're saving for the latest Nintendo Wii game or your college tuition, you're never too young to start saving.

Not only will we offer financial knowledge, but Neighbors has a gift for you! After you make a deposit into your savings account, you will receive an entry in the National Youth Week Savings Challenge, where ten young savers from credit unions nationwide will each win \$100!*

In addition, when you make a deposit of at least \$50 during Youth Week, you will be entered into a drawing to win four Cardinals baseball tickets, which includes a VIP on-field pre-game batting practice visit!*

Get in the game with smart savings! For more details on the Youth Week celebration, log on to www.neighborscu.org.

*Odds of winning depend on the number of entries received. Deposit must be made during Youth Week to receive entry. Contest begins April 18, 2010 and ends April 24, 2010. National contest valid for members ages 18 and younger; credit union contest valid for members ages 19 and younger. See Neighbors Credit Union for full details.

Announcing New Camp Cash Club Prizes

Do you have a lot of Camp Cash coins saved? Now is the perfect time to come in and trade them for the new prizes we have available. Check out a few of our great, new prizes now available at all of our branches:

Flexible Calculator 8 Coins

Velcro Ball Game 12 Coins

Plush Raccoon 15 Coins

Plus, you can still enjoy many of our previous prizes.

Hurry, quantities are limited. Grab your coins and head to the nearest Neighbors Credit Union to pick up a new prize today.

Your hard work can earn you a Happy Meal!

Did you receive good grades on your report card? If so, bring your report card to any Neighbors Credit Union location. With each "A" you receive in math, science, history and reading, you'll receive a \$1 McDonald's gift certificate. You could earn up to \$4 each quarter! So grab your report card, head to the credit union and show your grades to the tellers to get your gift certificates. Your hard work really does pay!
