

PRESIDENT'S CORNER

Are you currently a small business owner? Or, do you want to start your own business but don't know where to begin? Whether you are an established business or just starting, we know you have a lot of questions to ask and decisions to make. You need a partner you can trust to help you make the right decisions every step of the way. You need Neighbors.

At Neighbors, we are proud to act as your business partner. We share your passion for your business and optimism for the future. Don't get caught in a revolving door of junior loan officers who barely know your business—much less their jobs. You need an experienced professional who lives and breathes your business every day, just like you do.

Scott Brothers is our commercial business development officer at Neighbors Credit Union. He has been a credit union member for 25 years and has worked in commercial lending for more than 20 years. Scott can help you with any questions you may have, whether they are large or small or for an existing or new business. He will then work with you to find the best solution for your business.

You can reach Scott at 314-892-5400, ext. 1172 or sbrothers@neighborscu.org. Feel free to contact him about any of your business needs or questions. We are always happy to help our members and their businesses reach their goals.

Sincerely,
John Servos
